In all things,

Success Depends Upon Previous

Preparation,

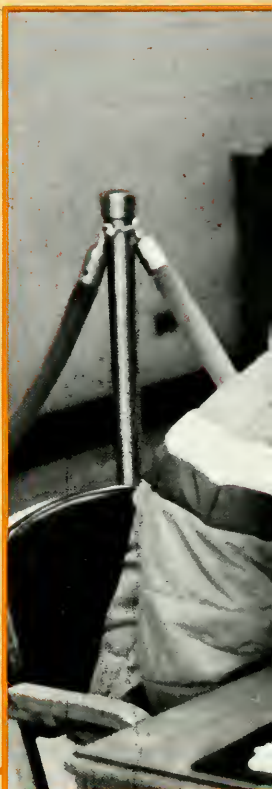

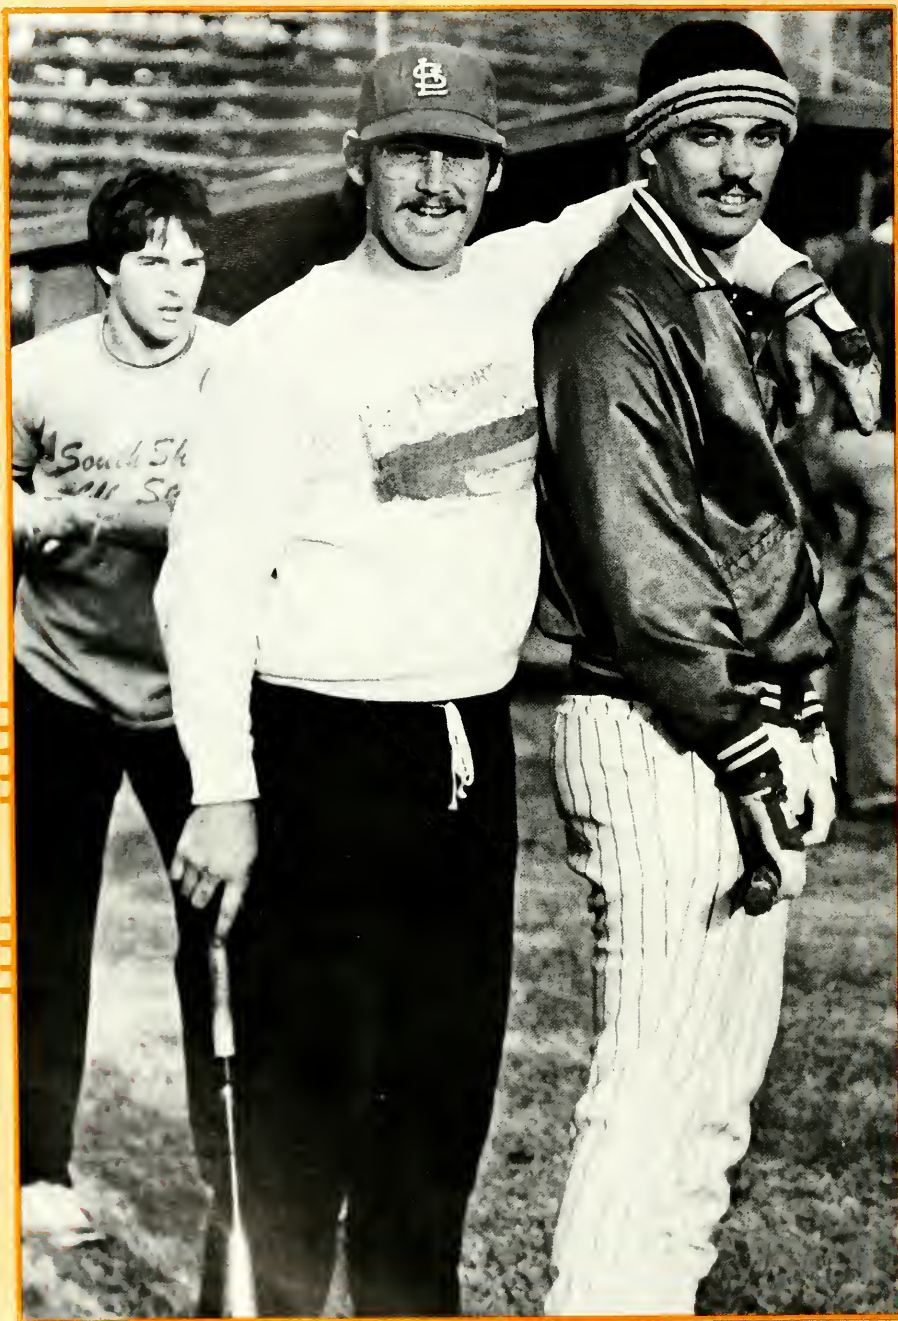

And without such preparation

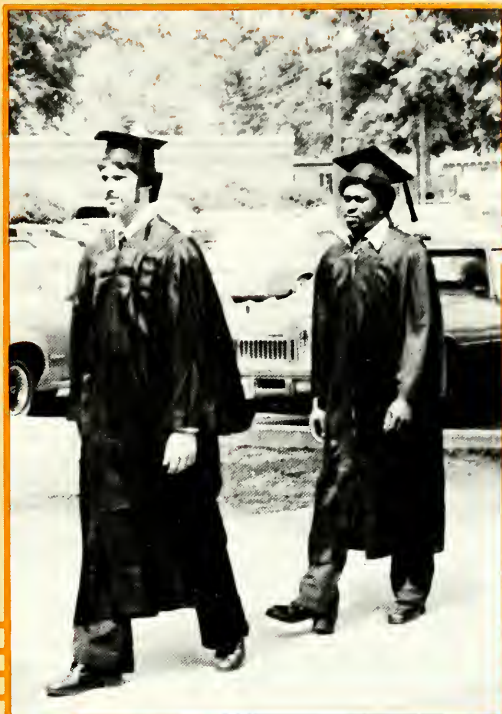

There

is sure to be failure

Confucius

Preparation is a daily choice in life. Seeking to become fit for a vocation, a creative marriage, a well-adjusted family, and for dedicated Christian service require time and development of talents. Developed talents can lead to a successful life.

Dedication

REMEMBER—The value of time
The success of perseverance.
The pleasure of working.
The dignity of simplicity.
The worth of character.
The power of kindness
The influence of example
The obligation of duty.
The wisdom of economy.
The virtue of patience.
The improvement of talent.
The joy of originating

Thank you for showing us that through the years this formula has worked for you. Your example of what is that "good and perfect gift" has made each life you have touched better because they have known you and been encouraged by you.

We consider it an honor to be able to dedicate the 1982 Crusader to you. Lucille Parker.

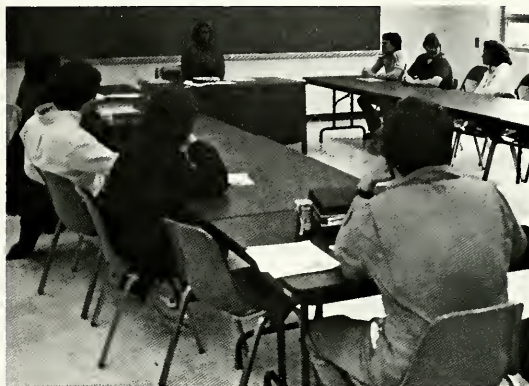

Events

Academics made college an educational experience, and extra-curricular activities helped it become a "learning" experience. While days were filled with hard-to-get-to 8:00 a.m. classes or all-afternoon labs, time was found at night for ballgames, movies, and skating parties.

Miss Carey Pageant

Miss William Carey College

Dianne Evans

On February 4, Dianne Evans was crowned Miss William Carey College in front of a near-capacity crowd. For her talent, the blue-eyed brunette from Taylorsville sang "I'll Take My Time", an original composition by Keith Thompson. By winning this title, Dianne earned the right to represent the college at the Miss Mississippi Pageant in July. Placing in the pageant were second alternate Karen Sowards, first alternate Julie Simmons, third alternate Lesia Stringer, and fourth alternate, Susan Buckley.

Carey Dinner

AS TIME GOES BY

AS TIME GOES BY, a musical revue compiled and arranged by Keith Thompson, was presented by the Carey Dinner Theatre June 5-20. This drama went back to the old radio show days, complete with slapstick, sophisticated swing, and show-stoppers.

Theatre

ERNEST IN LOVE

ERNEST IN LOVE, a musical based on Oscar Wilde's THE IMPORTANCE OF BEING EARNEST, was presented June 26-July 11.

Coast Campus Celebrates Carey's 75 Years

On September 10, 1981, the final event in Carey's Anniversary Celebration centered on the Gulf Coast campus, which celebrated its own fifth anniversary.

Several facilities were dedicated and named. The administration building was designated as Fairchild Administrative Center. The Learning Resources Center became McMullan Hall, and a classroom building was named Parker Hall.

Honorary doctorates in business administration were conferred on Rodney Fairchild, Pat McMullan, Jr., and Wayne Parker, for whose families the buildings were named and portraits were unveiled.

The convocation was held at First Baptist Church, Gulfport. Wallace Burn, president of South Central Bell and an honorary alumnus of Carey, was keynote speaker.

A special feature was the premier of a commissioned anthem written by Dr. James Fry, Dean of the School of Music, based on Psalm 127:1—"Except the Lord build the House, they labor in vain who build it."

Students Ace Activities

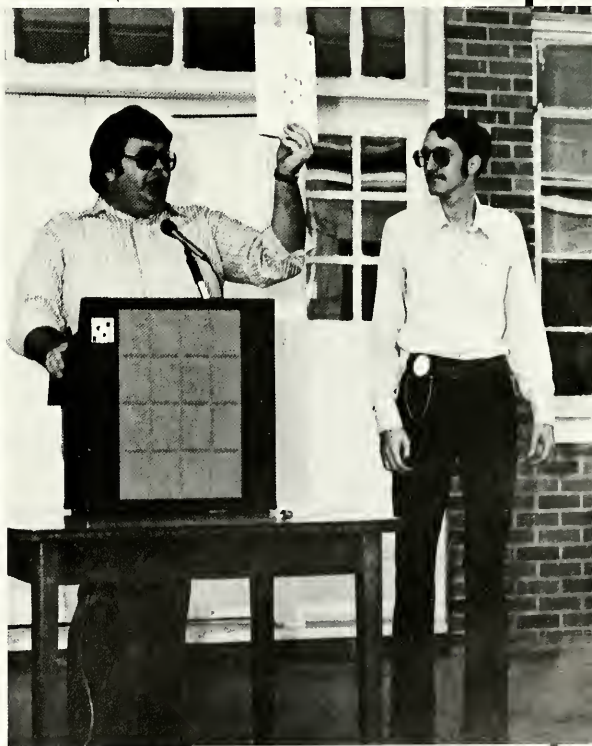

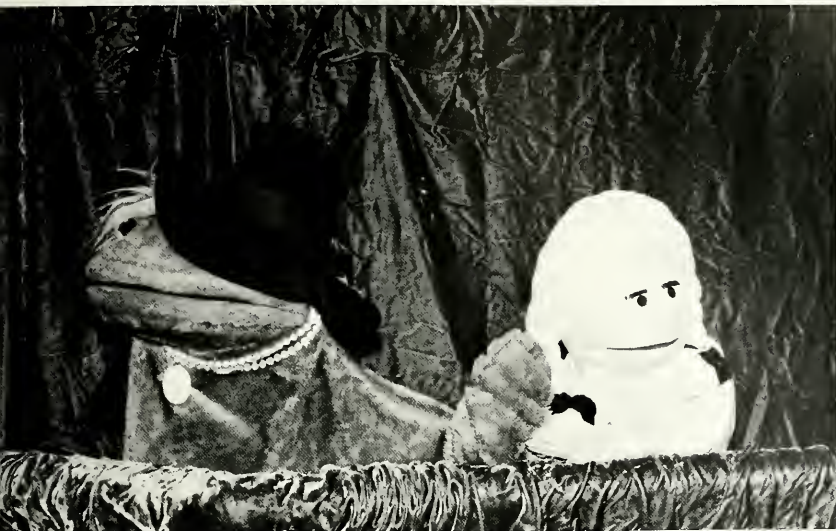

State Convention, a fall retreat, and Mission Emphasis Week were several of the spiritual renewal events sponsored by the BSU during the fall semester. Each event was well attended by students seeking Christian fellowship and growth.

Clowns, puppets, and visits to Columbia Training School provided some off-campus ministries while noondays, held twice a week, ministered on campus. Summer missions provided jobs for those willing to undertake challenges, and money to support them was raised in every imaginable way, from auctions to pledges.

STUDENT-LED-REVIVAL

In early fall the BSU sponsored a Student-Led-Revival. The six services held during the week were conducted with students preaching and providing the music.

The services reached a broad cross-section of the student body; the average attendance was 160. The success of the revival was due largely to the person-to-person witnessing among students, as well as the hours of preliminary prayer and planning.

Two professions of faith were made prior to the revival because of students' personal witnessing. One profession of faith was made during the revival, and another person surrendered to the call to preach.

Response to the revival is evident in the growing spiritual awareness on campus. The spiritual atmosphere is encouraging; the effects of the revival have been long-lasting.

Womanless Beauty Pageant

The Womanless Beauty Pageant, sponsored by the BSU to raise money for summer missions, was held November 5, 1981. Thirteen contestants competed for the title won by "Sherri Lynn Bower" whose talent presentation was one of the highlights of the pageant.

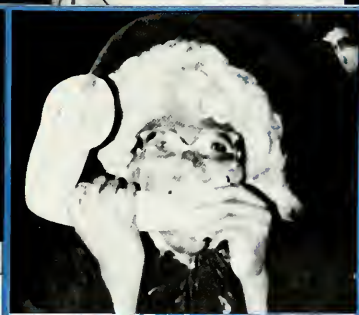

SPOOK NIGHT

Halloween proved to be full of "scarey" fun for all monsters on campus. A car rally, masquerade skating, trick-or-treating and midnight movies were some of the activities planned for the week. Highlighting the week was the carnival held on Thursday night.

December 6, 1981

The Imperials, a contemporary Christian singing group, appeared before a packed house in Thomas Hall on December 6. The group performed their hit songs during the first half of the concert, and then entertained during the second half with Christmas music.

PRINCESS

Santa Brings Finals

Kris Kringle Week brought Christmas spirit even though finals were one week away. Maintenance decorated the buildings while clubs sent holiday greetings with huge Christmas cards. Decorated dorm doors added color to the hallways.

Santa Claus visited the banquet to distribute candy while handbells, Chapel Choir, and the Brass Ensemble entertained. Prizes were given for the best door decorations in each dorm and the Art Club won the award for the best Christmas card.

Dear Mom and Dad,

Things at school are rolling along. Classes are the same as usual, and many other activities make our days full. Dorm life is great, and nothing slows down before midnight.

The food is by no means like yours, Mom, but it gets me through the day. Speaking of living day by day—well as you know I am working on campus, but we only get paid once a month and with prices like they are today, money is scarce. Please understand I did not spend all of mine, but Lisa, my roommate was thrown in the pond one night and guess whose money she had in her pocket. We had been shopping and she had all my change. Somehow the money drowned. Other than that things are great. Will be home as soon as I get some money. I love you!

P.S. Lisa needs money, too.

Presidential Message

William Carey College
Office of the President
Hattiesburg, Mississippi

"In all things success depends upon previous preparation,
and without such preparation there is sure to be failure."

-- Confucius

I like the 1982 Crusader's emphasis upon the importance of
preparation days at Carey College in your future success.

Perhaps you should be forewarned that even with the best of
preparation and performance you may feel that success has escaped you.

Huss died at the stake of Constance. Did he fail? He paved the
way for Luther.

Tyndale, the translator of the Bible, was strangled at Vilvorde,
and then burned, and at the stake he prayed, "O Lord, open the King of
England's eyes!" Did he fail? The very next year Henry VIII issued
his order that the Bible should be published through all England and
placed in every church for the free use of the people.

As you go forth from your preparation days at Carey I admonish you,
"Do not be discouraged. Never give up work and further study. Never
despair."

There is no such thing as failure for the true servant of God.

Snow

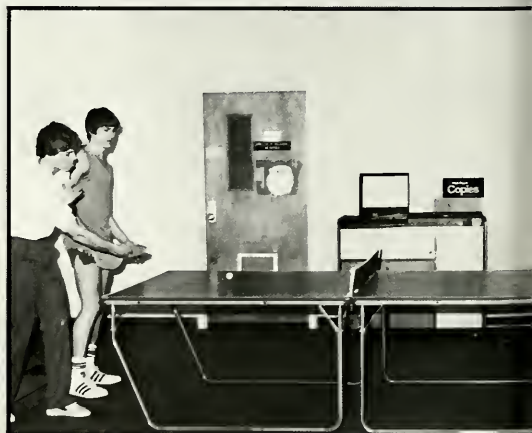

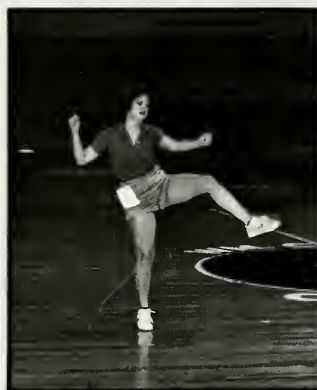

January 14, 1982

Spring semester got off to a cold start when record low temperatures and ice storms greeted returning students at registration. Snow and ice changed the familiar campus into an unfamiliar scene. Because of hazardous roads and broken water pipes, classes were postponed a day, giving the white visitor from the North a warm southern welcome from students.

Carey on the Coast

William Carey College on the Coast is a campus of rare beauty and rich tradition. It serves a dynamic people who love the Old South, but who are committed to meeting the challenges of their own time with courage and creativity. The serenity of its sunsets, the strength of its oak trees, and the spirit of those who pass on its streets are reflected in the lives of its faculty and students.

In this new era which is now beginning for William Carey College on the Coast, we dedicate ourselves to serving students and community in developing a unique educational experience which incorporates those religious and patriotic values which are synonymous with the name William Carey College. This is our purpose. We will be worthy of it.

The Essentials of Yearbook Production . . .

- ... extra long pencils with extra large erasers
- ... a year's supply of jelly beans
- ... faculty members who leave leftovers from their weekly coffees
- ... a refrigerator with an ice water dispenser
- ... a telephone with a direct line to 544—HELP
- ... friends who listen to you complain and then tell you to be quiet
- ... parents who listen to you complain but do not tell you to be quiet
- ... professors who understand about all those times your work was not done
- ... professors who also understand why you fell asleep in their classes
- ... an alarm clock that goes off in time for your 8:00 class knowing that you went to bed only 2 hours ago
- ... 32 hours in a day
- ... home economics students who let you sample all their cooking
- ... a dog who loves you no matter what mood you are in when you get home from school
- ... staffers who work above and beyond the call of duty
- ... staffers who do not complain (to your face) as you change their layouts for the 'umpteenth' time
- ... a good friend who knows the 'ins and outs' of editing a yearbook
- ... a boyfriend who knows how to type—and take pictures—and understands when a deadline takes precedence over a date
- ... photographers who always manage to have pictures ready on short notice
- ... a public relations director who lets you "borrow" her news articles and photographs
- ... a president's secretary who identifies the Board of Trustees for you at least three times
- ... the Lord who works miracles with UPS and layouts
- ... creativity pills
- ... an assistant editor who can be creative at the last minute
- ... a patient advisor who believes in you and is willing to let you try new ideas
- ... a student body about which to write the book

Thanks to all involved!

Bekke
